

About Janine

Janine Ambrose has earned her BA in Therapeutic Counseling and is currently working on her Master's Degree through the Open University of Sri Lanka, India.

She has written a children's book called

We are all Energy

Magical Flowers for her thesis. Janine is director of marketing and sales for a local Newspaper. She is also a Reiki Master, composer, pianist, motivational speaker, performer, and writer.

Janine has taught the power of thoughts and words at conferences in several high schools, Community Colleges and in workshops throughout the country. She is producing a television show called "Journey with Janine". (See article in this brochure).

She is the mother of six children ranging in age from 5 to 26 and believes that life has been her greatest teacher.

Her motto in life is:

Knowledge brings truth, releasing fear and creating happiness.
