A succinct color charts enlightens the readers to the meaning of the colors of the rainbow in the aura. Grace also, lists twenty helpful self esteem points for the reader to self examine themselves. *THE LOOKING GLASS* is mighty like a rose when utilized regularly. This is a tool to begin a journey of self discovery. The reader will be able to answer the question WHO AM I?

Grace Rose's first novel is most likely the best kept secret in Iowa City, Iowa. She co-authored this intriguing novel along with Malika Bourne through channeling automatic writing. While *THE SECRETS of the UNWRITTEN BOOK: FATE of the GOLDEN HEART* is proclaimed as fiction, Grace knows that the sages of old told stories or fables to get across complex concepts to a searching student.

THE SECRETS of the UNWRITTEN BOOK tells the tales of an endearing friendship between two women who are on a *JOURNEY of SELF DISCOVERY*. The fate of one of the women is uncertain at times as the story twists and turns many times. The emotion packed anecdotes reveal a masterfully woven tapestry puzzle of many interlocking pieces. The 'MORAL' of sorts, of the story gives the reader more than a few ah-has about everlasting love even when the mission is impossible and separated by dimensions. This is not a religion oriented book, but has deep spiritual significance for all who seek to know themselves.
